The Bible is full of stories of heroes and heroines, but the fact that we know how the stories end makes them appear more like fables than real-life stories. Living among us today, however, are Christian ladies who have faced many trials and tribulations. Like Bible heroines, they remain standing—strengthened in their faith, examples to all of us. The struggles these women have faced and the victories they have won are highlighted in this inspiring book in an attempt to encourage other Christian ladies in their daily walk with the Lord. This book is intended to be used as a Bible study, either for personal study or for group discussions. It is further given to help Christian women in their journey of spiritual growth and development. Review questions and practical activities, nestled within each chapter, are designed to give additional insights, provoke thought, and encourage application of the materials presented. Women love stories, especially stories with which they can identify. Some of the women in these stories are from among us and some are from other countries across the seas. These stories will grab you, encourage you, and, above all, underscore the fact that we all live by the choices we make.
