Smulkyville Middle School has a secret... A very big secret! The students of Smulkyville have sworn to a pact to make sure none of the adults ever find out. But can everyone keep a secret this amazing? Will they really be able to get away with it? Ultra-popular Patrick and star-jock Luke, are the first to notice something is different about the brand new Smulkyville Middle School. No hall monitors are yelling, "No running!" and so of course, everyone is. Brainy Jim is the first to notice the teachers aren't there saying, "Sit down!" in Home Room, so no one is. Soon it becomes obvious to everyone that something is very wrong – or should that be very right? As students run amok in halls in a frenzy of freedom, a small group of leaders emerge to decide how to handle this. Jim wants to call someone right away and reveal the shocking truth that due to a computer glitch, no teachers were ever hired to staff this new school. But Patrick and Luke, along with Timmy, Alex, Mary, Tia, Jacklyn and Lauri, see this opportunity differently. Like nearly every kid who has ever lived, they feel this is actually a dream come true – and they intend to live the dream. A school with no teachers! Finally, they can do things their way! This hilarious tale takes off as the students agree to keep the Smulkyville Secret, no matter what. They offer a "Run Around Like An Idiot" room to deal with discipline problems and start and end each day with a "Talk To Your Friends" hour. They deal with close calls from the nosy P.T.A. President Mrs. Loon, concerned bus driver Mrs. Mayer, Superintendent Walton and also the pizza delivery guy who can't believe this school allows a pizza party every day! As Patrick and his friends take on all the adult roles, they experience a roller coaster ride from chaotic freedom to the thrill of independence to the weight of responsibility. All this eventually leads to the conclusion which naturally involves monkeys, racing pigs, boxing kangaroos and a ride on The Zipper. Would you have it any other way? But do they pull this off, you ask? Good question. You'll just have to read this yourself and laugh at the crazy world they create in order to find out. What it comes down to is how well they can keep a secret. Could YOU keep a secret this big and this wonderful? Well, could you?
