## **Deeper We Fall (Fall and Rise Book 1)** Chelsea M. Cameron

Two years after her best friend was involved in a car accident that caused a traumatic brain injury, Lottie Anders is ready to start her freshman year of college. Ready to move on. Ready to start forgetting the night that ripped her life apart.

Her plans come to a screeching halt when not one, but both brothers responsible for the accident end up back in her life again.

Zack is cruel, selfish and constantly rubbing what happened to her friend in Lottie's face.

Zan is different. He listens to her awkward ramblings. He loves "To Kill a Mockingbird" as much as she does, and his dark eyes are irresistible. His words are few and far between, but when he does speak, she can't help but listen.

The trouble is, Zan was the driver in the accident, and now Lottie's discovered he lied to her about what happened that night. Now she must decide if trusting him again will lead to real forgiveness, or deeper heartache.
