Le Grimoire d'Armadel (French Edition)

Samuel L. MacGregor Mathers

Le Grimoire d'Armadel (French Edition) Samuel L. MacGregor Mathers

Par bien des aspects, le Grimoire d'Armadel, œuvre née dans un contexte hermétique judéo-chrétien, est ce que l'on pourrait considérer comme l'un des tout premiers ouvrages de magie pratique "prête à l'emploi". Toutefois, pour celui qui étudie le monde de l'occulte, qu'il soit simple chercheur, disciple ou initié, le Grimoire d'Armadel est plus profond que cela et s'avère être un précieux outil de travail en termes de rituelles magiques et kabbalistiques.

Véritable clé pour la compréhension de formules et de sceaux secrets attribués au roi Salomon, ce texte opératif propose de toucher du doigt la nature de Dieu au travers de la création des Âmes, des Anges, des Démons et bien sûr de l'Homme.

Les sceaux et formules contenus dans ce Grimoire sont aujourd'hui encore employés par diverses écoles, mouvances et fraternités occultes, ainsi que par de nombreux praticiens de « l'art obscur ». Grimoire théurgique conçu à l'intention de ceux voulant percer les Mystères Divins, sa manipulation et sa compréhension demandent une profonde connaissance des sciences occultes, ainsi qu'une bonne préparation du mental en vue d'appréhender le monde spirituel auquel il donne accès.

Cette présente édition est basée sur la traduction anglaise par MacGregor Mathers (cofondateur et dirigeant de l'Aube Dorée, ordre initiatique où le fameux Aleister Crowley fit ses premières armes) d'un manuscrit franco-latin datant du XVIIème siècle, conservé à la Bibliothèque de l'Arsenal à Paris. Tout ce qui a été reproduit ici (plus de quarante sceaux, des schémas détaillés, ainsi que des conjurations) suit rigoureusement la version du manuscrit original.

La traduction est de Philippe Pissier, la préface du chercheur américain William Keith, et la postface de Stéphane Barillet, l'un des artisans contemporains du renouveau alchimique en France.

This particular book can be one of a step for you to get success. This book offer you information that probably your friend doesn't understand, by knowing more than other make you to be great men and women. So , why hesitate? Let me have Le Grimoire d'Armadel (French Edition).

Ernest Nunez:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Le Grimoire d'Armadel (French Edition) can make you experience more interested to read.
