Quality and Safety in Pharmacy Practice Terri L. Warholak, David P. Nau

Gain a complete understanding of the principles of quality improvement and their application to present and future pharmacy practice

"This book is a great resource for pharmacists and pharmacy students who want to learn about safety and quality in pharmacy practice."--Laura Cranston, RPh, Executive Director, The Pharmacy Quality Alliance

Quality and Safety in Pharmacy Practice details the principles, approaches, strategies, and actions necessary to improve the overall safety and effectiveness of pharmacy services. Although one of the book's primary goals is to enhance the quality of future health care, you will find guidelines that can be implemented immediately to improve today's pharmacy practice. This comprehensive text offers a complete overview of quality in general, the reasons for improving practice, and actual day-to-day changes and approaches that will positively impact the patient.

Quality and Safety in Pharmacy Practice is divided into five parts, covering:

- The current and future landscape of health care quality and the business case for quality improvement and value-driven health care
- Quality improvement concepts and tools, including statistical process control
- Quality and safety measurement, including mechanisms for gathering consumer feedback
- Incentives and other drivers of quality improvement
- Application of the principles of quality improvement to pharmacy practice -- complete with case examples

From reader reviews:

Robert Warden:

The book Quality and Safety in Pharmacy Practice can give more knowledge and also the precise product information about everything you want. Why then must we leave a very important thing like a book Quality and Safety in Pharmacy Practice? Some of you have a different opinion about reserve. But one aim that book can give many facts for us. It is absolutely correct. Right now, try to closer with your book. Knowledge or details that you take for that, you can give for each other; you may share all of these. Book Quality and Safety in Pharmacy Practice has simple shape nevertheless, you know: it has great and large function for you. You can search the enormous world by open and read a reserve. So it is very wonderful.

Pamela Garcia:

As people who live in typically the modest era should be upgrade about what going on or info even knowledge to make them keep up with the era and that is always change and make progress. Some of you maybe will update themselves by examining books. It is a good choice for you personally but the problems coming to you actually is you don't know what one you should start with. This Quality and Safety in Pharmacy Practice is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

Tony Hill:

As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Quality and Safety in Pharmacy Practice can make you feel more interested to read.

Thomas Obrien:

Reserve is one of source of know-how. We can add our information from it. Not only for students but also native or citizen want book to know the update information of year to be able to year. As we know those guides have many advantages. Beside most of us add our knowledge, could also bring us to around the world. From the book Quality and Safety in Pharmacy Practice we can acquire more advantage. Don't someone to be creative people? For being creative person must want to read a book. Merely choose the best book that suited with your aim. Don't become doubt to change your life by this book Quality and Safety in Pharmacy Practice. You can more appealing than now.
