After the Fire Belva Plain

What happens when the picture-perfect marriage dissolves? In her stunning new novel, New York Times-bestselling author Belva Plain penetrates a shattered marriage to explore one of the most provocative issues of our time. Once again Plain proves herself the writer who sets the standard for family stories in a novel that is at once harrowing and deeply moving. Gerald and Hyacinth had the kind of marriage others envied. She was a beautiful artist. He was a brilliant plastic surgeon. Theirs was a comfortable, happy home with two wonderful children. Then whispers of betrayal tainted Hy's perfect marriage. And in one terrible night she commits an act she will regret for the rest of her life. An act that gives Gerald the ultimate weapon: blackmail. The price of his silence is uncontested custody of their two children. When her own beautiful, angry mother wants to know why she won't fight for custody, Hy can give no answers. But deep in her heart, Hy knows there is one question she must answer if she wants to free herself from a life of lies: What really happened that terrible night? Only then can she reclaim her children, her pride, her life-at last.

From reader reviews:

Ralph Garibay:

As people who live in the actual modest era should be up-date about what going on or facts even knowledge to make these individuals keep up with the era which can be always change and advance. Some of you maybe may update themselves by reading through books. It is a good choice to suit your needs but the problems coming to a person is you don't know which one you should start with. This After the Fire is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

William Grimm:

People live in this new moment of lifestyle always attempt to and must have the extra time or they will get wide range of stress from both daily life and work. So , if we ask do people have extra time, we will say absolutely sure. People is human not only a robot. Then we consult again, what kind of activity are you experiencing when the spare time coming to you actually of course your answer will certainly unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative within spending your spare time, typically the book you have read is actually After the Fire.

Jackie Ballesteros:

Do you like reading a publication? Confuse to looking for your best book? Or your book ended up being rare? Why so many concern for the book? But any kind of people feel that they enjoy intended for reading. Some people likes examining, not only science book and also novel and After the Fire or even others sources were given information for you. After you know how the fantastic a book, you feel desire to read more and more. Science book was created for teacher or even students especially. Those textbooks are helping them to increase their knowledge. In additional case, beside science reserve, any other book likes After the Fire to make your spare time far more colorful. Many types of book like here.

James Waddell:

Reserve is one of source of knowledge. We can add our know-how from it. Not only for students and also native or citizen require book to know the update information of year to year. As we know those ebooks have many advantages. Beside we add our knowledge, can also bring us to around the world. By the book After the Fire we can have more advantage. Don't you to be creative people? To get creative person must choose to read a book. Just choose the best book that ideal with your aim. Don't become doubt to change your life at this time book After the Fire. You can more desirable than now.
