## **Democracy Defined: The Manifesto** Kenn d'Oudney

The word 'democracy' is widely abused and 'defined' incorrectly. Kenn d'Oudney's book explains exactly what the word democracy really implies. It demonstrates just how illegal the current situation is, adversely affecting the lives and livelihood of nearly all men and women today. This book gives citizens all the facts they require to know how and why the current system is wrong and sets out what they can do to rectify it. SEE BACK COVER for REVIEWS of the essays on which this book is based.

### SO, YOU THOUGHT YOU KNOW WHAT 'DEMOCRACY' MEANS?

The contents of DEMOCRACY DEFINED: The Manifesto are enriched by the fascinating quoted wisdom and words of great minds — Churchill, Gibbon, Hale, Hallam, Hume, Blackstone, Crabbe, Millar, Mackintosh, Gilbert, Palgrave, Coke et al., chief justices, judges, Benjamin Franklin, Presidents Kennedy, Roosevelt, Adams, Jefferson, Madison, Washington, Lincoln. This extensively researched book is eye-opening — it reveals in irrefutable detail how far the modern political establishment and justice system have strayed from the legal, lawful modus operandi.

DEMOCRACY DEFINED explains how the specific components of constitutional democracy have been suppressed by malefic statist interventions to produce the modern Western decline and the Illegality of the Status Quo. However, while establishing the case against governments' statism, THE MANIFESTO gives readers inspiration and hope by showing how Restoration of the *definitive parameters* of true Democracy reverses the decline, and makes mankind's ideal society achievable: the best of all possible worlds.
