Drug-Facilitated Sexual Assault: A Forensic Handbook

Drug-Facilitated Sexual Assault: A Forensic Handbook

This unique handbook educates readers in how drugs are used as weapons in committing sexual assaults. It is designed for everyone involved in the investigation of these crimes including forensic scientists, law enforcement officers, lawyers, toxicologists, and medical professionals.

Drug-Facilitated Sexual Assault looks at the history of these crimes over the years and includes an in-depth discussion of the drugs and drug classes in use today. It describes the effects of these drugs on the victims, the type of person who uses drugs to sexually assault an individual, and obstacles to investigating the suspect. The authors show how to properly collect and analyze evidence, overcome some of the unique difficulties encountered in these types of investigations, and work with other professionals to prosecute these cases successfully.

* Ideal for everyone involved in the investigation of these crimes, including forensic scientists, police officers, lawyers, toxicologists and medical professionals
