It is startling to think that Satan can actually come into the heart of a man in such close touch with Jesus as Judas was. The cults are so misleading and millions get caught up in these demonic forces. In addition, more—Satan is cunningly trying to do it today. Yet he can get in only through a door opened from the inside. "Every man controls the door of his own life." Satan cannot get in without our help. This book I hope will help the reader to understand the drive Satan has to control the minds of people. It is ironic that the devil gives the world all of its extremists in every realm entertainment, politics, society, education, anarchy, intrigue you name it! Yet, it is the same devil that frightens believers about the great danger of becoming "extreme" This is what the cults do, they twist the truth, mesmerize people to follow the God of this world Satan. My hope is the reader will be enlighten to truth as they read this book. James 4:7 Submit yourselves therefore to God. Resist the devil, and he will flee from you. Blessings, David N. Smeltz
