The Exodus Reality: Unearthing the Real History of Moses, Identifying the Pharaohs, and Examining the Exodus from Egypt

Scott Alan Roberts, John Richard Ward

Is there a Templar and Masonic connection to the events and personages in the story?

Did the Exodus take place under Amenhotep II or Amenhotep III, two pharaohs of the same royal house separated by two generations and 80-odd years? Or were Thutmoses III, Hatshepsut, and Amenhotep Son of Hapu at the core of the action? The authors present two opposing, yet strangely interlaced historical accounts for the Exodus, naming the historical pharaohs and surprising candidates for the historical Moses. While Roberts presents an account that finds its moorings in the efficacy of scriptural historicity, Ward presents a new and completely unique theory for the Exodus and its cast of characters.
