The Running Dream Wendelin Van Draanen

An award-winning and inspiring novel. When Jessica's dreams are shattered, she puts herself back together—and learns to dream bigger than ever before.

Jessica thinks her life is over when she loses a leg in a car accident. She's not comforted by the news that she'll be able to walk with the help of a prosthetic leg. Who cares about walking when you live to run?

As she struggles to cope with crutches and a first cyborg-like prosthetic, Jessica feels oddly both in the spotlight and invisible. People who don't know what to say, act like she's not there. Which she could handle better if she weren't now keenly aware that she'd done the same thing herself to a girl with CP named Rosa. A girl who is going to tutor her through all the math she's missed. A girl who sees right into the heart of her.

With the support of family, friends, a coach, and her track teammates, Jessica may actually be able to run again. But that's not enough for her now. She doesn't just want to cross finish lines herself—she wants to take Rosa with her

Winner of the Schneider Family Book Award

From the Hardcover edition.

From reader reviews:

Madeline Wayt:

Throughout other case, little people like to read book The Running Dream. You can choose the best book if you appreciate reading a book. As long as we know about how is important a book The Running Dream. You can add expertise and of course you can around the world by way of a book. Absolutely right, simply because from book you can learn everything! From your country until finally foreign or abroad you will find yourself known. About simple matter until wonderful thing you are able to know that. In this era, you can open a book or maybe searching by internet device. It is called e-book. You need to use it when you feel fed up to go to the library. Let's study.

Jose Goodell:

Book is usually written, printed, or illustrated for everything. You can recognize everything you want by a e-book. Book has a different type. As it is known to us that book is important matter to bring us around the world. Next to that you can your reading ability was fluently. A e-book The Running Dream will make you to be smarter. You can feel a lot more confidence if you can know about every little thing. But some of you think which open or reading a book make you bored. It's not make you fun. Why they may be thought like that? Have you seeking best book or ideal book with you?

Chris McCree:

The book The Running Dream can give more knowledge and information about everything you want. Why must we leave a very important thing like a book The Running Dream? Several of you have a different opinion about e-book. But one aim that book can give many data for us. It is absolutely right. Right now, try to closer with your book. Knowledge or data that you take for that, you could give for each other; it is possible to share all of these. Book The Running Dream has simple shape but you know: it has great and big function for you. You can appear the enormous world by start and read a guide. So it is very wonderful.

Mary Ransom:

Nowadays reading books become more than want or need but also get a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The data you get based on what kind of reserve you read, if you want get more knowledge just go with education and learning books but if you want sense happy read one with theme for entertaining such as comic or novel. Typically the The Running Dream is kind of guide which is giving the reader unstable experience.
