Australian daytime birds of prey (Birds are awesome! Book 1) Kimberley Jane Pryor

When we see a bird of prey, we stop, draw in a breath, and watch, spellbound.

Birds of prey have an aura about them. Is it because of their piercing eyes? Their hooked beak? Or their razor-sharp talons? Is it because they can soar to great heights and fly at astonishing speeds? Or is it because they are terrifyingly efficient hunters?

Australian daytime birds of prey is the perfect introduction to this fascinating group of birds. It provides basic information on where they live, what they look like, what they eat and how they breed. It features colour photographs that give young readers an eyewitness view of the behaviour of eagles, falcons, hawks and kites.

Australian daytime birds of prey is ideal for 6 to 12 year olds who are interested in birds of prey and want to learn more about them.
