Scarlett is a young woman on vacation with her family in The Great Smoky Mountains National Park. While hiking alone, she is attacked by a wild pack of wolves. Before they would ravage her innocent body, she is rescued by a lone wolf. This wolf saves her life, but in the process is wounded. To her surprise, the wolf shifts into a man. It's not just any man, but one she knows dearly.

A forbidden love is formed and lines are crossed as she gives in to her animalistic desires.
