In 1999 Max Dinkman is cruising through life without a care in the world. He is 17. He is going to graduate soon. He doesn't know what he's going to do after that and he doesn't care. As long as he has his comic books, his weed, his fantasies driven by a combination of the two, and his girlfriend, he's content. Then his girlfriend gives him some disturbing news. Then his dad follows it up with some more. Then Max isn't so sure about anything. Follow his adventures in the first volume of a five volume series that mixes comic book art with prose, poetry, footnotes, trading cards, and an unofficial soundtrack!
