In **RUNAWAY**, Andy Friessen has been looking for his wife for six months. After Laura walked out with her son, no goodbye, with no money and leaving everything Andy bought her, behind.

But he knew she'd come crawling back, she needed him. After all he married her to protect her. And any woman would give their right arm to be his wife.

And then for six months his conscience poked at what an ass he'd been: Until he's served for divorce.

Even though Andy is the first man she's every truly loved, and the first to break her heart, Laura plans to never see him again. After all to him she was nothing but a nuisance, someone he could order around, just another woman to warm his bed at night.

But Laura is hurt and she's thought nothing through including the fact she's keeping the biggest surprise from him yet. And when Andy finds out ... all hell will break loose.

In **OVERDUE**, Diana and Jed are expecting a baby, a week ago. And when this overtired couple finally reach their breaking point it's Jed's mother, Becky, who steps in with a creative solution.
