## **Dead in Their Tracks: Crossing America's Desert Borderlands** John Annerino

On assignment for Newsweek, noted photojournalist John Annerino journeyed deep into one of the least hospitable spots on the planet — the scorched 4,100-square-mile "empty quarter" that straddles Mexico and Arizona. There he met four Mexican nationals determined to cross a 130-mile trail illegally to find work to feed their families. *Dead in Their Tracks* is the record of their experience. Annerino's unflinching camera and sensitive text capture the lives of these men, along with the ranchers, Border Patrol trackers, and drug runners whose livelihoods also depend on this grim realm. *Dead in Their Tracks*' unforgettable images of anonymous travelers who may survive, and the bleached bones of those who did not, show the ultimate price sometimes exacted by an unforgiving nature — and by those who make policy in this area. 70 photographs and maps are featured in this harrowing chronicle of the dangers and struggles fought for a better way of life.

#### **Terry Palladino:**

The reason? Because this Dead in Their Tracks: Crossing America's Desert Borderlands is an unordinary book that the inside of the book waiting for you to snap that but latter it will surprise you with the secret the idea inside. Reading this book beside it was fantastic author who all write the book in such awesome way makes the content within easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of positive aspects than the other book get such as help improving your proficiency and your critical thinking way. So , still want to delay having that book? If I had been you I will go to the publication store hurriedly.

#### **Mary Stone:**

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that studying is not important, boring and can't

see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Dead in Their Tracks: Crossing America's Desert Borderlands can make you really feel more interested to read.
