The Interactive Discovery-Based Units for High-Ability Learners, for grades 6–8, provide teachers with opportunities to use exciting and challenging units in their classrooms. These engaging curriculum units culminate in authentic performance situations that provide students with open-ended opportunities to demonstrate academic understanding. Each book in the series contains tiered lessons that teachers can easily modify to meet individual students' needs.

In *Fables and Folktales*, a language arts unit, students learn about story structure, word choice, and folktales and participate in a writers' workshop before sharing their own tales in a storytelling festival.

Grades 6–8
