This is the story of missing my mother. One day, in a way unique to you, it will be your story, too. So begins "Missing Mom," Joyce Carol Oates personal and candid novel.

Nikki Eaton, a single, thirty-one-year-old, sexually liberated and economically self-supporting young woman, never particularly thought of herself as a daughter. Yet following the unexpected loss of her mother, her identity is transformed during the course of a tumultuous year of mourning that brings sorrow, illumination, wisdom, and even from an unexpected source a nurturing love."
