The Egyptian Book of The Dead

The Egyptian Book of The Dead

The Ancient Egyptians continue to fascinate people from all walks of life, and of all the knowledge we have of their culture, the rituals connected to death and the afterlife are the most compelling.

This stunning edition contains images of Ani's *Book of the Dead* in its entirety, alongside the translation by Egyptologist E.A. Wallis Budge. The papyrus of Ani is an exquisite object, showing vignettes of Egyptian deities –foremost among them Osiris, god of the Afterlife and of the Underworld – combined with dense hieroglyphic text. This book sets the English translation alongside images of the scroll itself.

Mysterious, powerful, and moving, The Egyptian Book of the Dead is one of the oldest and most influential texts in all history. It is made up of a combination of prayers, spells and speeches that the ancient Egyptians buried with their dead, intended to aid the deceased on their 'journey' into the afterlife.
