## **Gender Diversity: Crosscultural Variations, Second Edition** Serena Nanda

Anthropologist Serena Nanda has heralded the importance of understanding human similarities and differences throughout her writing and teaching career. This was especially evidenced in her groundbreaking work, *Gender Diversity: Crosscultural Variations*, a masterful, far-reaching examination of the relationships between sex, gender, and sexuality and how they are culturally constructed.

The latest edition of *Gender Diversity* incorporates new material on hijras in Bangladesh, three gender alternatives in Indonesia, and global changes related to migration, communication, and health. Concept-reinforcing review questions have also been added to each chapter. Throughout, rich ethnographic examples representing nine cultures illuminate the need to analyze sex/gender roles and identities on the basis of broad cultural patterns and distinct cultural features, including social class, ethnicity, age, religion, urban or rural residence, and exposure to Western cultures.

*Gender Diversity, 2/E* encourages readers to think in new ways about what they consider natural, normal, or morally right. As a concise supplement with multidisciplinary appeal, the enhanced edition is sure to energize the undergraduate classroom. Includes glossary and selected films list.

Titles of related interest from Waveland Press: Burton, *Culture and the Human Body: An Anthropological Perspective* (ISBN 9781577661801); Mascia-Lees, *Gender and Difference in a Globalizing World: Twenty-First-Century Anthropology* (ISBN 9781577665984) and Mascia-Lees-Black, *Gender and Anthropology* (ISBN 9781577660668).
