## **I Remain in Darkness** Annie Ernaux

An extraordinary evocation of a grown daughter's attachment to her mother, and of both women's strength and resiliency. "I Remain in Darkness" recounts Annie's attempts first to help her mother recover from Alzheimer's disease, and then, when that proves futile, to bear witness to the older woman's gradual decline and her own experience as a daughter losing a beloved parent. "I Remain in Darkness" is a new high water mark for Ernaux, surging with raw emotional power and her sublime ability to use language to apprehend her own life's particular music.
