**Mike's off fighting the Taliban. And I'm having his baby.**

*Katie*

When I had that fling with Mike, a bad boy Delta Force dog handler, I thought I was just blowing off steam. I've seen so many soldiers come in to my hospital, half dead - I just couldn't take it any more. I needed an escape. But Mike was different. When he got sent back into the field, I couldn't get him off my mind. And then I found out I was pregnant with his baby.

So when Mike was airlifted to the hospital, I didn't care that he was a hero who'd just saved a dozen soldier's lives - I just knew I needed to save him.

*Mike*

The moment I saw Katie, I knew I had to have her - she was the bravest, strongest, sexiest woman I'd ever seen. When I got deployed, I thought about her every day. My platoon were sick of me talking about her, but I couldn't help it...

When I found out she was carrying my child, I knew I had to protect her, whatever the cost. And then the Taliban took her.

**I'm going to save her, and my kid. And if anyone gets in my way, they're going to regret it.**
