Nation, Empire, Colony: Historicizing Gender and Race

"... a lively and interesting book... " ?American Historical Review

These writers reveal the power relations of gender, class, race, and sexuality at the heart of the imperialisms, colonialisms, and nationalisms that have shaped our modern world. Topics include the (mis)representations of Native women by European colonizers, the violent displacement of women through imperialisms and nationalisms, and the relations between and among feminism, nationalism, imperialism, and colonialism.
