## **Scheherazade Goes West: Different Cultures, Different Harems** Fatema Mernissi

Fatema Mernissi, the world-renowned Islamic feminist, has shed unprecedented light on the lives of women in the Middle East, in works hailed as "enchanted" (*The New York Times Book Review*), "exuberant" (*Elle*), and "remarkable" (*The Washington Post Book World*). Now, in *Scheherazade Goes West*, Mernissi reveals her unique experiences as a liberated, independent Moroccan woman faced with the peculiarities and unexpected encroachments of Western culture. Her often surprising discoveries about the conditions of and attitudes toward women around the world -- and the exquisitely embroidered amalgam of clear-eyed autobiography and dazzling meta-fiction by which she relates those assorted discoveries -- add up to a deliciously wry, engagingly cosmopolitan, and deeply penetrating narrative.
