The Higher Powers of Mind and Spirit Ralph Waldo Trine

There are moments in the lives of all of us when we catch glimpses of a life—our life—that is infinitely beyond the life we are now living. We realise that we are living below our possibilities. We long for the realisation of the life that we feel should be. Instinctively we perceive that there are within us powers and forces that we are making but inadequate use of, and others that we are scarcely using at all. Practical metaphysics, a more simplified and concrete psychology, well-known laws of mental and spiritual science, confirm us in this conclusion.
