The Undertakers: Night of Monsters: An Undertakers Novelette Ty Drago

It's gonna be a LONG night! The Undertakers are back in a special "in-between" adventure, one that drops Will Ritter, Helene Boettcher, and Dave "the Burgermeister" Burger into a desperate, life-or-death struggle with the Corpses. This time, the three of them are alone on the midnight streets of Philadelphia, facing a new deader plot that involves kidnapped kids, horrific mutant monsters, and an army of gruesome "smart" zombies dressed as doctors and nurses. Something really bad is going down. Yep, it's totally gonna be a long night! (This special "in-between" Undertakers adventure takes place between the novels QUEEN OF THE DEAD and SECRET OF THE CORPSE EATER!)
