Regain Control of Your Digestive Health with Proven, Effective Natural Treatment Options For Irritable Bowel Syndrome!

Discover how to achieve relief from Irritable Bowel Syndrome symptoms through diet therapy and natural treatments that really work. Understand the basics of Irritable Bowel Syndrome (IBS), who is most likely to be affected by IBS and how the symptoms develop. Learn how to reduce or eliminate the abdominal cramps, bloating, gas, diarrhea or constipation that cause stress and anxiety in work and social situations, compromising the quality of your daily life.

Simple Strategies Can Improve Your Quality of Life

In 'Irritable Bowel Syndrome: IBS Explained' you will learn that IBS is not one condition but a complex process of multiple abnormalities, each amenable to customizable therapies that really work. Learn how to identify food allergies and other causes of overgrowth of the wrong bacteria and yeasts in the bowel that cause flare-ups and symptoms. Discover the simple dietary changes that can reduce both the severity and frequency of IBS flare-ups. Learn to identify situations when conventional medications may be used to help with symptoms temporarily while other methods of treatment are being used. Conventional medication options based on specific symptoms are clearly outlined and explained in this book too. Discover why these prescription drugs, even though they can quickly and effectively provide relief from symptoms, are not a good long-term solution Recognize the difference between symptom relief and relief from Irritable Bowel Syndrome. Learn which herbal remedies and nutritional supplements can be used to cure the problem permanently.

Treating IBS – the cause, not just the symptoms – involves several different natural approaches. In 'Irritable Bowel Syndrome: IBS Explained' these options are clearly presented, easy to understand and with your commitment to good health, easy to follow. All the recommended treatments in this book have been successfully used by a conventionally trained doctor, with experience in holistic medicine, natural and diet therapies and the use of herbal supplements. Natural treatments are safe, effective and can greatly improve

quality of life for people living with IBS.
