The Crucifixion of Mary Magdalene: The Historical Tradition of the First Apostle and the Ancient Church's Campaign to Suppress It Richard J. Hooper

The Crucifixion of Mary Magdale is a historical reconstruction of the ancient Church's campaign to destroy the credibility of Mary Magdalene as the first apostle of Christianity in order protect its legitimacy based on the patriarchal traditions of Peter and Paul. The book explains why the Church suppressed, and ultimately condemned as heresy, the theology associated with Mary, and offers a detailed study of the fourteen ancient Gospels in which Mary appears.
