The Invisible Path to Success: Seven Steps to Understanding and Managing the Unseen Forces Shaping Your Life Robert Scheinfeld

Every day you have thoughts and feelings. Things happen to you. How much is caused by you and how much by someone else? How much is fate, destiny, or the result of invisible forces you know nothing about?

Is there a purpose for your life, for the lives of others, or is everyone and everything the result of accident or chance?

Finding the answers to these questions can be compared to putting together a gigantic jigsaw puzzle. You dump all the pieces on a table and at first it doesn't look like much. But you start putting the pieces together and slowly but surely it starts to look like something. Finally, when all the pieces are in place, the picture reveals itself.

The Invisible Path To Success offers pieces that have been missing from your puzzle. Once you add them to the pieces you've already collected, a new picture of who you are, why you're here, what your purpose is, and how to better manage the unseen forces shaping your life will spring into view. Then the real fun begins. . .
