Chinese doctors have used pulse diagnosis as one of their four main methods of diagnosis for at least 2,000 years. Even today, this art is integral to the correct identification of traditional Chinese medical patterns. Although most practitioners of acupuncture and Chinese medicine talk about the importance of the pulse in their practice, few practitioners in the West truly feel competent in this art. In this book, Bob Flaws, one of the most famous Western practitioners of Chinese medicine, shares his secret for learning how to do Chinese pulse diagnosis. Bob has identified a single key secret technique which will unlock Chinese pulse diagnosis for everyone who applies it. Using this technique, anyone can feel the 27 or 28 classical pulses.
