ASQ-3(TM) Learning Activities Elizabeth Twombly M.S., Ginger Fink M.A.

Enhance the growth and development of infants and young children with more than 400 fun, fast, and easy-to-use learning activities—now in a **new edition** specially developed to complement ASQ-3™. Perfect for sharing with parents of children who are developing typically or need nonintensive support in one or more developmental areas, these playful, developmentally appropriate activities

- encourage progress in the same five developmental areas as ASQ-3™—communication, gross motor, fine motor, problem solving, and personal-social
- use safe, age-appropriate materials that most families have at home
- help even the youngest children develop crucial early language and literacy skills
- promote closer parent–child interactions
- serve as a natural follow-up for children who score in the ASQ-3™ monitoring zone

New additions include a new set of activities for 0-2 months; more activities—30+ per age range; more language and literacy activities; more language modeling for parents; easy to email PDF format to share with parents; more differentiation of activities by age; and activities are now in color on the CD-ROM. Plus, the book includes a keycode for accessing the activities in your ASQ Online account.

Now packaged as a book *and* CD-ROM together so you can photocopy or print them as needed, these creative, cost-effective activities are the perfect way for parents and children to learn and have fun together.

Learn more about the complete *ASQ-3 system*.
