Description: Left bed-bound by a knee injury, an older man has no option but to arrange for a nurse to call in every couple of days to aid in his recovery. He can't help getting hard at the sight of the young blonde woman as she fusses around his bed. He manages to hide his excitement until she insists on giving him a bed bath. He tries to resist, but when the nurse gets him naked he finds that she is more than excited at the sight of his hard erection and she gives him a dirty bed bath to remember.

Extract:

When her hand returned there was no cloth and Travis groaned at the touch of her hand on his cock. "Does that feel better?" she asked, her fingers sliding slowly from the balls to the tip of the shaft and back again.

"Yes," gasped Travis. The thrill of the touch worked through his body and he moaned as the pressure around his cock grew.

"Maybe I should keep cleaning then," she replied. Travis expected her to reach for the cloth again, but his passion climbed as the nurse brought her head down to his cock. She licked her tongue along the length a couple of times. "Does that feel cleaner?" she teased.

"Yes..., I mean no," he laughed. "I think it still needs some work."

"Uh huh," she laughed as she bent her head to the erection again. Travis moaned as he felt the tongue caress along his length again, his cock twitching at the touch. He was suddenly breathing heavier as the nurse continued to play with him. She finally pulled the cock up and kissed onto the tip. "Maybe if I do this it will help to finish the job," she said. Travis felt the incredible sensation of his cock being sucked between the nurse's lips and moaned as she took him into her mouth. Betsy's lips slid along the hardness until she took almost the full length, working her tongue around the erection as she held it in her mouth. Travis pushed his hips up from the bed and the nurse let him force himself deeper into her mouth until her lips were caressing his balls. She held on the cock for as long as she could, her tongue still licking at the hardness, but she eventually had to pull back off to catch her breath. "I'm not sure if this is the right treatment for your knee," she laughed. "Maybe we should get your pajamas on again."

"No..., " groaned Travis, "don't leave me like this."

Betsy grinned as she took hold of the cock in her hand again. "But your bed bath is finished," she teased. "Is there something else you want?"
