## **Horatio Nelson (Command)** Angus Konstam

The most famous admiral in history, Horatio Nelson's string of naval victories helped secure Britain's place as the world's dominant maritime power, a position she held for more than a century after Nelson's death. A young officer during the American Revolution, Nelson rose to prominence during Britain's war with Revolutionary France, becoming a hero at the battle of Cape St. Vincent. He went on to win massive victories at the Nile and Copenhagen, before leading the British to their historic victory at Trafalgar in 1805. But, in that moment of his greatest glory, Nelson was struck down by a French sharpshooter. Today Nelson is revered as an almost mythical figure - a naval genius and a national hero. He was also a deeply flawed individual whose vanity, ego and private life all threatened to overshadow his immense abilities. This book reveals the real Nelson.

#### **Jeff Jones:**

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Horatio Nelson (Command) can make you feel more interested to read.
