Mother Earth, Father Sky: Pueblo and Navajo Indians of the Southwest Marcia Keegan

"Through brilliant photographs, Marcia Keegan has recreated the sense of wonder and harmony between the Southwest Indians and nature". (Albuquerque Tribune)

Marcia Keegan's photographs of the Pueblo and Navajo Indians -- their land, their days, and their lives -- are awesome testimony to the richness of a way of being; they are images that open a window onto a breathtaking and singular world. Transliterations of authentic Indian chants provide a lyrical counterpoint to Keegan's moving pictorial record, which captures the sacred unity between the Southwest Indians' land and their way of life.
