Animal Print Gifts & Accessories - Softback Password Journal [\$5.50 / £3.59]

A discrete password journal with a printed image of leopard fur on the cover; it's got sensible sized print, spacious log boxes, and a few added extras, including password setting advice, at the back. We've put a lot of thought in to this book, it's perfect for a small, simple gift:

Dimensions: 20.3 x 12.7 cm / 5 x 8 inches. (A touch smaller than A5 but much bigger than A6. It's small enough to tuck away easily in a bag, drawer or shelf, but it's **not** tiny, it's much bigger than most pockets.)

Interior:

-95 pages of good quality white paper to minimize ink bleed-through.

-Just under 400 log boxes, including a few extra at the back for the storage of online purchase reference numbers.

-An advice section on how to set strong, safe passwords is easily accessible at the back.

-Plenty of space. We've allowed the whole page width for writing internet addresses & usernames, and extra space to write your own notes with each record; particularly useful for extra security details such as memorable words. There's also a general notes space at the back for recording modem details or wifi codes for example. So no more cramming!

-A date record box. To prevent confusion if you change a password you can easily keep track of which one is the latest by using the entry date prompt in each log.

-Easy to read with font size 12 or larger throughout.

Cover: Tough matte paperback. Properly bound, so pages won't fall out with use.
