SARA

I can't help but notice how these two steamy brothers are so hot and bothered by me. Sure, I've got a curvaceous body that most men desire but I come with major baggage...carrying the baby of my abusive ex. They're better off not getting involved in my mess. The problem is I can't get them out of my mind....There is something mysterious about these two well chiseled hunks that I can't put my finger on... I can't stop thinking about how incredible it would feel to tame these two beasts.

ARMAND AND JAEGER

Sara has no idea how irresistible she really is....we want her to be ours and we always get what we want! We're on a mission to procure a very lovely young woman who we both desire in the most primal ways. We don't mind sharing...and we know once she has a taste she will be hooked for life. Will either untamed bachelor take their place at her side now that there's a child on the way, or will the skeletons in Sara's closet come back to hunt her?

WARNING: This ebook contains mature themes and language. Intended for 18+ readers only.
