## **Website & Presence Essentials for Small Business** Mitch Free

Feel like your website is behind the times? Ready to revamp your site and do it right, taking into account modern design trends and the tools available for marketing online?

My name is Mitch Free, and my company bizdetail.com has successfully launched 400+ customized small business websites for clients in many different industries, from all over the United States.

Over the past few years, we have worked to refine our system for building small business websites to balance technology with what businesses want and need most out of their site.

With so many options available for launching a new website, making decisions about which way to go can be confusing, especially when everyone you talk to seems to be telling you something different.

Regardless of where you host, who handles your site, or who you are talking with, I've put together some advice that will help you efficiently launch a professional, modern, mobile-friendly business website that is equipped with the latest tools.

Of course, If you are looking for someone to handle revamping your business website, I'd love to speak with you. Feel free to give me a call at the number below during normal business hours, or reach out on my website.
