Grammar-land, or, Grammar in fun for the children of Schoolroom-shire M. L Nesbitt

The favourable reception that the former Editions of this Httle book have met with, calls for a word of acknowledgment. It seems that not only the little folks for whom it was intended, but children of a larger growth have read it with interest ;and students, who spend days and nights with weary eyesight poring over miserable books, have condescended to turn over these pages, and laughingly admit that the imagination may sow even the dustiest of book-shelves with flowers.

(Typographical errors above are due to OCR software and don't occur in the book.)
