Snask is a branding, design and film agency based in the heart of Stockholm. They are young, successful, bold, edgy and self-confident. They challenge the design industry by doing things differently. And that inspires and attracts, because if you combine young, successful, bold, edgy and self-confident, you get something people like or even want to become themselves.

Snask has been around for 5 years and is the perfect example of a new breed in the design world. Their international fame was built via blogs and by delivering entertaining keynotes at international conferences. Now they share how they think, talk, lie, kiss and tell. You will learn how to pee on yourself or tell pink lies and find out why making enemies is a good thing.

Reading a design book has never been more fun and creative entrepreneurship has never been as inspiring as doing it the Snask way!
