"I can't pay." She took another step forward. It brought her level with his outstretched legs. One more tiny step brought her between them. "But I have a proposition."

LUCAS LEBRAY is the biggest, baddest wolf in town. A sexy shifter who likes to pretend there isn't much more to him than fun and games. He owns the local garage, which just happens to be directly across the street from the deli owned by the only woman he's ever wanted down to his bones. The problem is, she's miles out of his reach. Deserves better than dirty, oil-soaked hands and the wolf that goes with them.

SOFIA RIVERA is hard up. Hot and bothered and the only thing that is going to help, is a dose of Luc LeBray. She's seen the tricky wolf's hidden core of integrity, through the plate glass windows of her store. Some nights, she'll turn out the lights and watch him across the street, taking things apart and putting them back together. The way she wants him to do to her.

So she devises what should have been a simple plan. She takes a wrench to her car's engine and makes Lucas a scandalous offer. *Trade services*. When she whispers those words in his ear, Lucas's resolve to do the right thing snaps and Sofia finds herself the focus of a silver-eyed wolf who demands everything she has.

This is Book 2 in the Shifter Town series but is also a great standalone with a HEA.

This story is hot and sexy. You've been warned... ..
