A RAINWATER BOOK OF KIN has been *inspired* in part by Anastasia of The Ringing Cedars Series specifically A Book of Kin. This will be the second Book of Kin that I have written. The first journal I kept to my unborn baby culminated with me having A Venus Birth which is told in Volume 2 of this book series titled "You're Having A Venus Birth" (to be published after this journal). My Venus Birth (and 17 month gestation! Please see my YouTube interview "I was pregnant 17 months" on "The Selina Ray Show", thank YOU!) was a next to no pain miracle...which lasted only 2 hours. I learned from Anastasia that it was because of me writing to my unborn baby LOVE!* This journal is also considered A Book of Shadows in some spiritual circles, because of the recording of I Ching and Tarot Readings and rituals. It is with these Oracles that I offer a different sort of "proof" (although I have no thing to prove) regarding a special twist and turn happening here TOOO...that being another unusually loong gestation period, hence the need for Volume 4.1 and MORE! As of this publication I AM...30 months pregnant! And I AM...going Unassisted without the use of drugs, doctors, or midwives...which is also how I was allowed to *discover* A VENUS BIRTH LOVE!* - to be continued...
