From the preface by Bishop Bernard Schmitt: "In his Apostolic Brief dated July 19, 1850, Pope Pius IX erected the Diocese of Wheeling. This simple act began the unfolding of a history that no one of that time could imagine. Now for 150 years the message and the mission of Christ have been cultivated and nourished by the members of the diocese of Wheeling-Charleston." The book has many color photographs of the history of the diocese, and short profiles of each of the churches.
