Have you ever acted on a hunch and achieved great results? Have you ever not followed an instinct to do something, and then regretted it later? Have you ever done something and achieved great success, only to later realize that you have no idea why you did this? Have you ever said to yourself, "If only I had trusted my intuition."? If yes, you know what the third eye is all about. Your third eye is the center of your intuition. This is where you get hints about what is right and what is wrong. "I don't know why, but I just don't trust that guy"; statements like these indicate that your third eye is telling you something that you wouldn't know otherwise. It is telling you not to trust a person. It is trying to protect you from hurt, pain, and loss. Ignore it and you find yourself regretting that decision. "I should have trusted my instinct and not trusted that guy." Yes, your third eye warns you that something is amiss. Your third eye encourages you to take that step because it knows that it is going to make your life better and happier. Your third eye knows it all, even if you don't know yourself. But that's not all; you can further develop your third eye and refine your intuitive skills. You can learn to listen to what your inner self is telling you. You can learn to trust your third eye and follow its indications with confidence. This is the purpose of this short book. Its purpose is to introduce you to the concept of third eye. It intends to introduce you to the power of your intuition. The book intends to let you know about the concept of the third eye and how it developed through history. It intends to make you realize the benefits you can achieve through developing your intuition and psychic abilities. It intends to teach a few simple techniques that you can use yourself to develop your third eye and bring about a drastic and positive change in your life. So, are you ready to get started on this journey? Let's begin by learning about how the concept of third eye developed through history.
