Quran 2012: 2012 With translations by Imam W.D. Mohammed

The Quran was revealed by God in Arabic to Muhammad the Prophet. This book is a translation/ interpretation of that Quran. This book includes my favorite translations from around the world, including those by legendary translators like A. Yusuf Ali, and Imam W.D. Mohammed, as well as those by me and by readers like you. Now, a bit about how to read this book. I know neither a better time to read this message than at night (Sura 73:6), nor do I know of a better way to read it than in a slow, measured, melodious voice (Sura 73:4). Those who read this message as Suras 73:6 and 73:4 suggest, as well as those who have heard it read this way, report an enhanced mental and spiritual experience. Several things may help explain this experience including the activation of more brain regions and the release of more brain chemicals. Share your experience on our website, [www. With the name of Allah .org](http://www.WiththenameofAllah.org) Now a little about me, one of the translators and the compiler/editor.
