This study guide offers the student a variety of exercises to enhance their learning experience. It includes matching, true/false, and short answer questions as well as critical thinking exercises to further test their decision making skills. The review questions have also been revised to mirror the most recent NCLEX®-RN Examination format.

- Learning exercises, such as matching, short-answer, fill-in-the-blank, and true-or-false, test students knowledge of the material in each chapter.
- Critical Thinking case studies help students apply theoretical knowledge to real-world situations.
- Suggested Learning Activities for community and clinic settings are designed to enhance understanding of the subject.
- NCLEX® examination-style review questions conclude each chapter.
- Answers to the learning exercises and NCLEX® examination-style review questions are located at the back of the book.
