My Grace is gone..These are the words that ring through my head, over and over. Mocking me. Gone. Taken from me so quickly, just when our life has finally begun to calm down and gel into some sort of normal. This can't be happening. I have to get her back. I will do anything, call in any favors, pay any price, to have her back in my arms.

Taken...I don't know who's to blame, or why I've been taken. I don't know where I am or even what day it is. All I know, is that I'm cold and nauseous and my head is killing me. I miss Jax and I desperately want to go home. I want my life to go back to normal. But first I have to survive. I know that Jax will do anything to save me...but will it be enough when even I don't know why I've been taken?

This is the exciting resolution to the Saving Grace Trilogy. For this book to make any sense, please be sure that you have read Saving Grace 1 and Saving Grace 2: A Heartbeat Away. There are also crossover characters from Daydreams from the Cubicle Farm- though you can still read Saving Grace 3 if you haven't read Daydreams.
