Jules Verne

Five weeks in a balloon; or, Journeys and discoveries in Africa by three Englishmen Jules Verne
Translated by William Lackland Five Weeks in a Balloon, or, Journeys and Discoveries in Africa by Three Englishmen (French: Cinq semaines en ballon) is an adventure novel by Jules Verne. It is the first Verne novel in which he perfected the "ingredients" of his later work, skillfully mixing a plot full of adventure and twists that hold the reader's interest with passages of technical, geographic, and historic description. The book gives readers a glimpse of the exploration of Africa, which was still not completely known to Europeans of the time, with explorers traveling all over the continent in search of its secrets. Public interest in fanciful tales of African exploration was at its height, and the book was an instant hit; it made Verne financially independent and got him a contract with Jules Hetzel's publishing house, which put out several dozen more works of his for over forty years afterward. — Excerpted from Wikipedia, the free encyclopedia.

Features This is an electronic edition of the complete book complemented by author biography. This book features the table of contents linked to every chapter, act or story. From reader reviews:

Ruth Haakenson:

What do you about book? It is not important with you? Or just adding material when you need something to explain what yours problem? How about your time? Or are you busy individual? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Every individual has many questions above. They need to answer that question simply because just their can do that will. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need this particular Five weeks in a balloon; or, Journeys and discoveries in Africa by three Englishmen to read.

Donovan Houseman:

Nowadays reading books become more than want or need but also be a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge your information inside the book in which improve your knowledge and information. The information you get based on what kind of guide you read, if you want attract knowledge just go with knowledge books but if you want sense happy read one with theme for entertaining for example comic or novel. The actual Five weeks in a balloon; or, Journeys and discoveries in Africa by three Englishmen is kind of book which is giving the reader unforeseen experience.

Michael Quintanar:

People live in this new morning of lifestyle always try and and must have the time or they will get great deal of stress from both lifestyle and work. So , when we ask do people have free time, we will say absolutely of course. People is human not really a huge robot. Then we consult again, what kind of activity are you experiencing when the spare time coming to anyone of course your answer will probably unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative inside spending your spare time, the actual book you have read is definitely Five weeks in a balloon; or, Journeys and discoveries in Africa by three Englishmen.

Debbie Gray:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's spirit or real their passion. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Five weeks in a balloon; or, Journeys and discoveries in Africa by three Englishmen can make you sense more interested to read.
