**International Handbook of Higher Education: Part One: Global Themes and Contemporary Challenges, Part Two: Regions and Countries (Springer International Handbooks of Education) (Pt. 1)**

This book provides a central, authoritative source of reference on the most essential topics of higher education. The International Handbook of Higher Education combines a rich diversity of scholarly perspectives with a wide range of internationally derived descriptions and analyses. Chapters in the first volume cover central themes in the study of higher education, while contributors to the second volume focuses on contemporary higher education issues within specific countries or regions. Together, these volumes provide a centralized, easily accessible, yet scholarly source of information.
