[Siren Everlasting Classic: Erotic Contemporary Romance, light consensual BDSM, spanking, sensation play, sex toys, HEA] Charity Sanderson had been Beau Parrish's lover for months, but she knew it was only a matter of time before their affair ended. She needed a man she could count on to be there, and Beau never took anything seriously. But, she loved him too much to walk away. Beau loved Charity more than his own life, but knew she didn't believe that. Every time he spoke about a future together, she got skittish, and so he'd had to back off for fear of losing her completely. The vulnerability in her eyes tugged at him, the love shining in them that she didn't think he could see. He couldn't go on living a lie. After giving her an ultimatum he walked out, hoping she would love him too much to let it end between them. Her accident changes everything. It forces her to see that the man she never thought he could be has been there the entire time. ** A Siren Erotic Romance
