The Hammer of Witches: A Historical Novel Begoña Echeverria

In 1610, a small Basque town is convulsed by accusations of witchcraft. Based on historical events, *The Hammer of Witches* tells the incredible story of Maria, a girl determined to honor her mother's memory by learning to read and improving her lot in life; the priest Salvador Zabaleta, who has sworn to protect Maria but whose own identity is beset by struggles; and the mysterious and sophisticated Sabine Elizalde. As Maria is drawn into their lives and into a series of macabre events, she learns about the depths of her own courage. Drawing a nuanced, detailed, rich portrait of early modern Basque society to tell a gripping story of love, betrayal, and sacrifice in a world turned upside down, *The Hammer of Witches* delves into the dark places of the human spirit and shows that even in the face of tremendous evil, justice can prevail.
